

# Portable Flagpoles

## Forecourt Displays

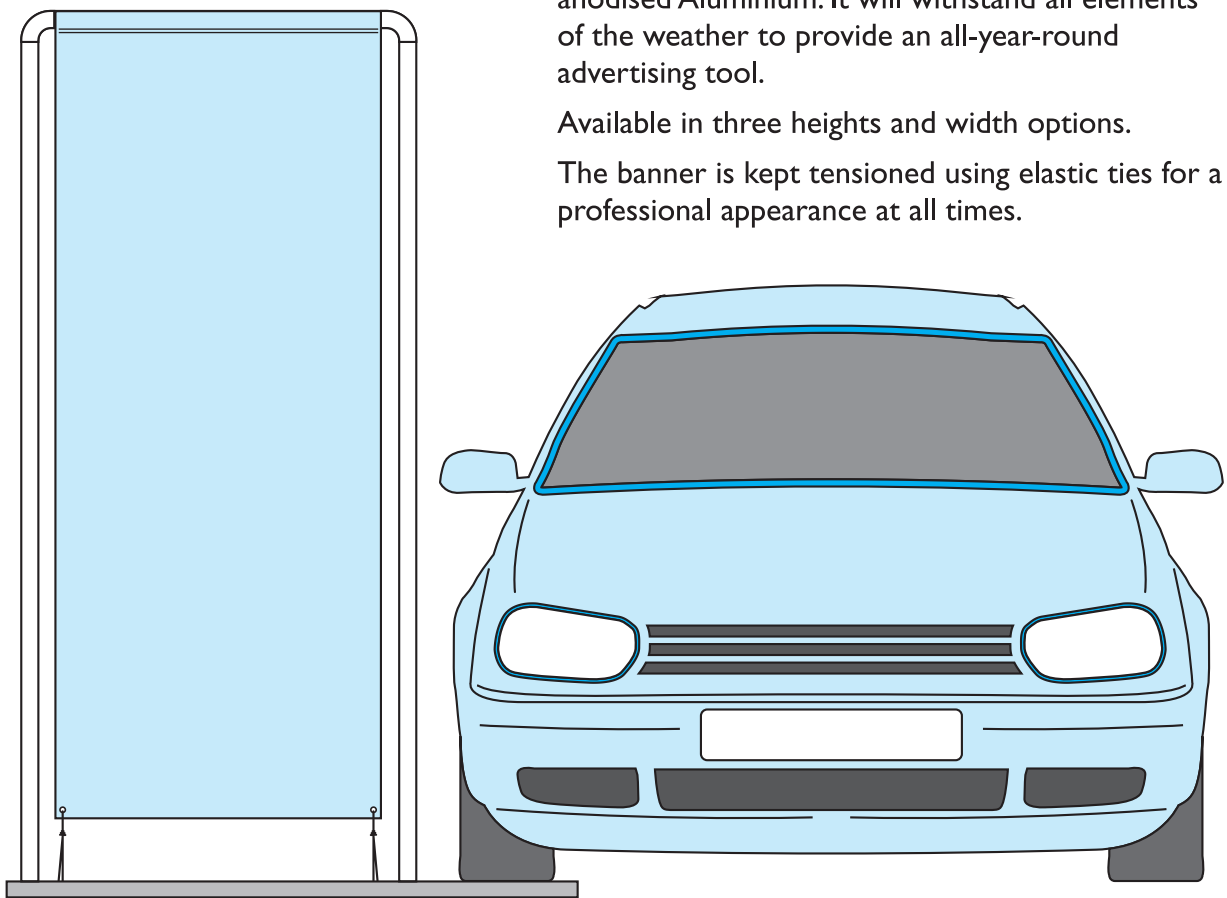

### Car showroom drive-on banner bases

The side-stand banner display allows motor dealers to make the most of the available space using cost-effective, high-impact banners.

The system is constructed from high-grade anodised Aluminium. It will withstand all elements of the weather to provide an all-year-round advertising tool.

Available in three heights and width options.

The banner is kept tensioned using elastic ties for a professional appearance at all times.

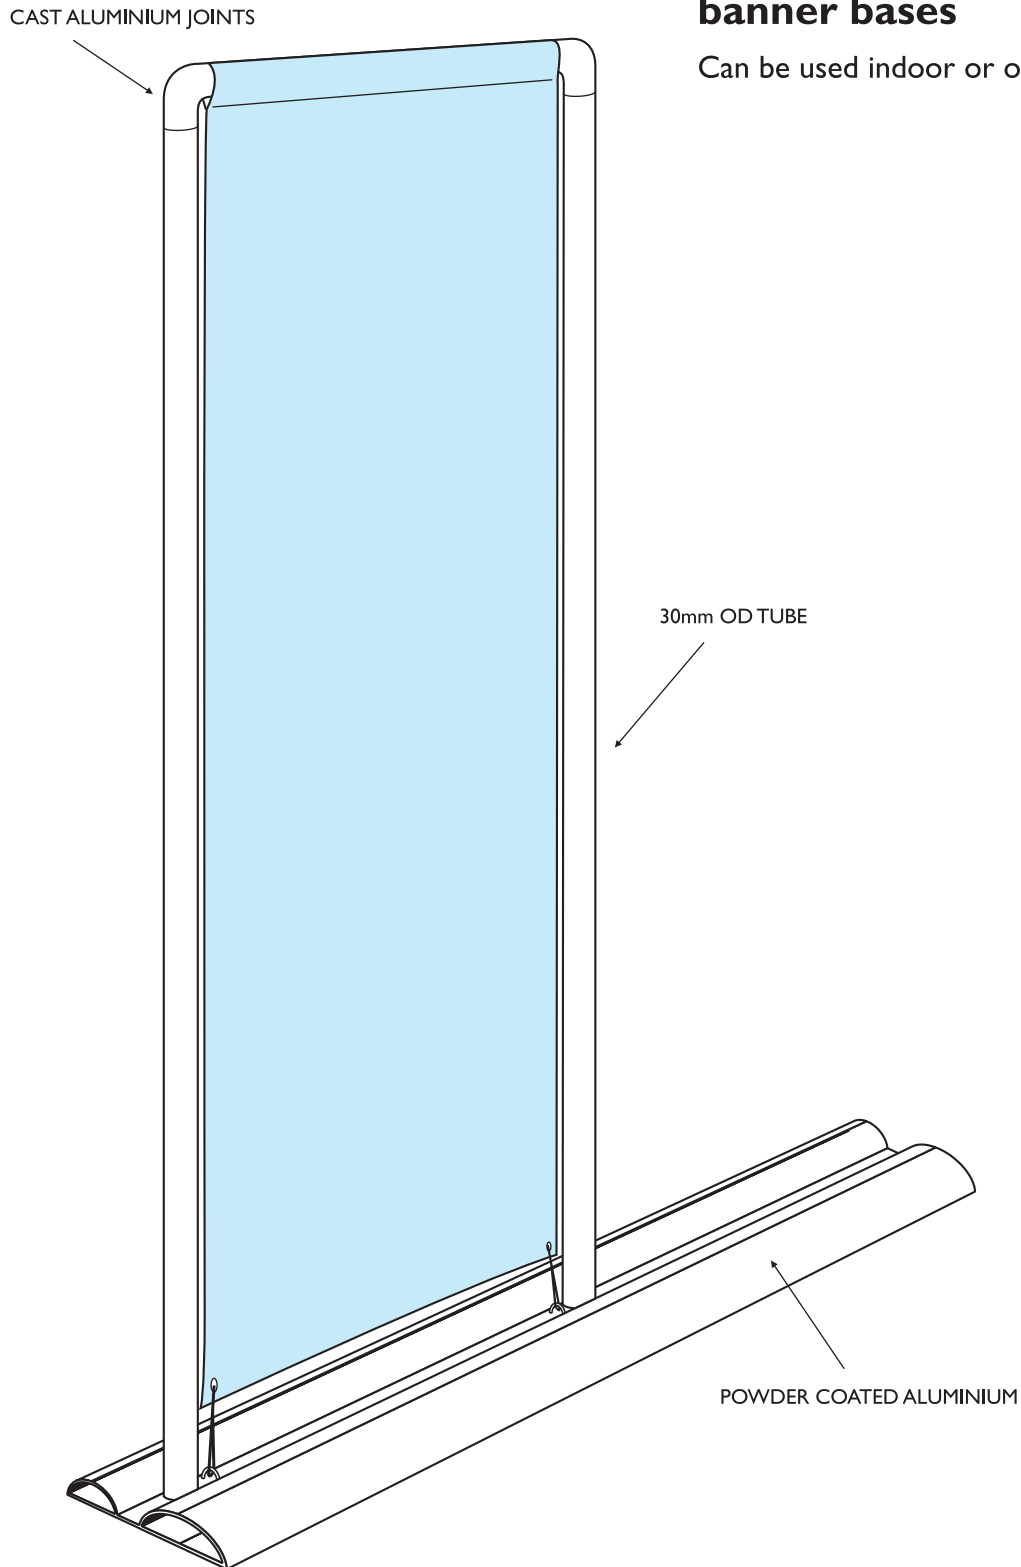

Side Stand			
Banner Sizes			
WIDTH	HEIGHT		
400mm	1m	1.2m	1.4m
600mm	1m	1.2m	1.4m
750mm	1m	1.2m	1.4m
